### ネイティブ同士の会話

Arthur: So a lot of people want to talk to tourists and um in Tokyo. So like they see people, they want to help them, they want to show them around. They want to be hospitable they want to practice their English, but they don't really know how to talk to a tourist or anything like that, you know.

東京ではみんな外国人観光客と話したいと思ってる。日本人は観光客をみて、彼らを助けてあげたいと思ってるし、辺りを案内してあげたいと思ってる。おもてなしを伝えて英語の練習がしたいと思ってるんだけど、どうやって観光客に話しかけたらいいかわからなかったりするんだ。

Chris: Yeah.

うん。

Arthur: So like how how would you actually start the conversation with them? Like, let's say that they're taking a picture of the of the Harvard gates and then walking around. What would you what would you say to them?

じゃあどうやって実際に彼らと会話を始めるの？じゃあ観光客がハーバード大学の正門で写真を撮っていて、それから周りをうろうろしているとしたら。その場合何て言う？

Chris:

I would, if I were to ask a question I would say, "So are you guys from around the area?" Because I would assume that if they are coming far enough where they take a picture of Harvard gates. I mean, I live a half an hour away. I wouldn't have to do that. So I would assume that they're not from the area. I would say, "So what brings you around this area?" essentially, is what I would...

僕だったら、もし質問を聞くなら、こう言うよ。「この辺りから来てるの？」なぜかという、ハーバード大学の正門で写真を撮るほど遠くから来ているんだったら、まあ、僕は30分離れたところに住んでいて、そんなことしない。だからこの辺りから来ていないってことが想定できるよね。僕はこう言うかな。「この辺りに来た理由は？」簡単に言うと僕はこう言うかな・・・

Arthur:

**Right. So that's, like, the first thing that you would say? Like they're taking a picture, you walk up to them and say "Hey, what brings you to this area?"**

うん。それが一番最初に言うこと？観光客が写真を撮っていて、彼らに歩み寄って「この辺りに来た理由は？」って言うの？

Chris:

**And I would also say "This is a nice school isn't it?" You know, I would engage them with a question a conversation, like that.**

あと「いい学校ですね。」とかって言うよ。そんな感じで質問とか会話で繋がるうとする。

Arthur:

**Are you serious? Are you serious, this is nice. You know it's funny, because that's exactly what I teach my students.**

え、本当に？いいね。実は、それまるっきり僕が生徒たちに教えていることなんだ。

Chris: **Really?**

本当に？

Arthur: **I tell them that if you want to talk to a stranger, like let's say you're at a cafe, right? Or whatever. And you want to talk to an English speaker, I teach them "It's so nice today isn't it?" or "This place is so crowded isn't it?" I teach them to say that.**

見知らぬ人に話しかけたいなら、生徒にこう言うように教えてるんだ。カフェとかどこかにいるとしよう。そこで、外国人に話しかけたい。そんな時に「今日はいい天気ですね」とか「ここすごい混んでますよね」って言うように教えてる。

Chris: **Yeah simple would be what you just said. I like that. "Oh this is, it's nice campus isn't it?" Just something like that.**

うん、簡単に言うならまさしく今言った感じになるね。その表現好きだよ。「これ、いいキャンパスですよ」そんな感じで。

Arthur: **Ok so. So that's a great thing to say. Now let's say, I don't know, we were in Marblehead and you saw some tourists. You know Marblehead's a really beautiful area. What would you what would you say there?**

じゃあ、それが相応しい言い方ね。じゃあ、えーとマーブルヘッド（地名）にいたとして、観光客を見たとする。その場面では何て言う？

Chris: **And I know they are tourists for sure, right?**

絶対観光客に違いないんだよね？

Arthur: **Yeah for sure.**

うん、絶対。

Chris:

**Yeah, ok. If I was in Marblehead I would say, "Isn't Marblehead beautiful?" Like, you know, a beautiful town. I mean they're they're taking pictures as a tourist. I would say something like "Yeah, it's such a beautiful town." I, uh, I love the view. I love the water. Things like that.**

うん、了解。マーブルヘッドにいるとしたら、「マーブルヘッドって美しいですよ」って言うな。えーと、綺麗な街ってこと。観光客だし、写真を撮ってるよね。だから「うん、綺麗な街だよ」みたいなことを言うかな。景色が好きなんだ、とか海が綺麗とかそんなようなこと。

Arthur:

**No that's cool that's cool. So I guess. Yeah, just talking with you about this topic is enough we don't really have to role play or anything for this topic that's that's enough. Great.**

うん、いいね、いいね。僕が思うに、うん、ただこのトピックについて話しているだけで十分だね。このトピックに関してロールプレイとか何かする必要ないね。

Chris:

**Sure sure.**

うん、うん。

Arthur:

**Yeah. Cool cool.**

うん、いいねいいね。
